Tuscany Experience

# Experiences
## For a tailor-made stay!

# Terms & conditions

We welcome you to our corner of relaxation and discovery, where every stay becomes an unforgettable experience. We offer a variety of activities to enrich your time with us and satisfy your every passion.

Discover the authentic flavors of our valley with **tastings** or **cooking classes** that will take you to explore the food and wine excellences of Casentino. From local delicacies to fine wines, each tasting will be a journey into the flavors and traditions of our land.

For nature lovers, **trekking** routes through the breathtaking landscapes of Casentino await you. Walk through enchanted woods and green hills, breathing pure air and immersing yourself in the pristine beauty of our valley.

If you are looking for balance and well-being, yoga and pilates classes are perfect for regenerating your body and mind, thanks to our qualified instructors. In addition, give yourself a moment of pure **relaxation** with our massages, ideal for relieving stress and finding inner harmony.

***To participate in these experiences, subject to availability of our partners, it is necessary to make a reservation in advance.***
***Cancellation is free until the day before the experience. If the experience is not carried out, payment of the full amount is required. Only the organizing partner can cancel the service on the same day (for external reasons that do not allow it to be carried out), in this case there is no penalty.***

*Come and experience with us a stay dedicated to discovery and well-being!*

# Tastings

## *Discover our local products!*

Discover a world of flavors and stories with our wine and oil tasting experiences in local wineries and oil mills. Each place tells a unique story, and your food and wine adventure begins here.

Whether you are a wine enthusiast, an oil enthusiast or simply want to learn more about these sectors, our experiences are designed to enrich and delight you.

Get inspired and delight your palate with tastings and samplings of local products, thus creating a memorable experience.
